HARIBO

HARIBO

From a small candy factory to a global market leader

The HARIBO brand is unique. Just like the history of this successful family business, which began in 1893 in a backyard laundry room in Bonn (Germany). Today, HARIBO has a brand awareness rating of 99% in Germany.

For over 100 years, the HARIBO brand has been making children and adults happy alike.

For Muslim customers, HARIBO produces Halal-certified products on its own production lines using a special variety of selected ingredients.

For Muslim customers in Europe, part of the Halal range has been produced on separate production lines in Austria since 2022.
